

The Spatz logo is written in a white, cursive font on a red, triangular background that points to the right. A small bird icon is integrated into the end of the word.A family of five is sitting on a rocky outcrop overlooking a valley at sunset. In the foreground, a Spatz Stork 4 BTC tent is set up on the rock. The tent is a light beige color with a large awning at the front. The background shows rolling hills and a river valley under a golden sky.

Stork 4 BTC

The SPATZ STORK 4 is our affordable family weekend tent. Its all-in-one pitching system and fully sewn in floor make it very quick and simple to use. The main sleeping room converts easily into two rooms with a divider curtain. It has a capacity up to four people. The sleeping room and its vestibule have two doors. Two large side windows ensure enough daylight and outside view. The front side of the tent is covered by a large awning, which lets you enjoy the outdoors even in rainy conditions.
